

To: Moldex Customers & Distributors
From: Jeffrey S. Birkner, Ph.D., CIH - Vice President of Technical Services
RE: Notice re: California Proposition 65 – IMPORTANT – ACTION REQUIRED
Date: June 14, 2018

This letter requires action on your part no later than 6/29/18, please read carefully. This action insures compliance with Prop 65 and is for your company’s protection.

Moldex is notifying all distributors and retailers of Moldex products of a very important legal obligation imposed by the California Safe Drinking Water and Toxic Enforcement Act of 1986, which is commonly known as “Proposition 65.” Proposition 65 requires the State of California to publish and continually update a list of chemicals that are known to the State of California to cause cancer, birth defects, or other reproductive harm. The current list contains over 800 chemicals. Companies selling products to consumers in California or supplying products directly or indirectly to retailers who do so must comply with Proposition 65. Under Proposition 65, a seller must provide a “clear and reasonable warning” before exposing anyone to a listed chemical. The warning can be provided numerous ways, including labels on the product or packaging. **Failure to provide proper warnings can result in penalties of \$2,500 USD for each item sold without a warning, plus attorneys’ fees.**

The following Moldex products, which we procure from the Original Equipment Manufacturer (OEM) **Allegro Industries**, Phone (864) 846-8713, website, <http://www.allegrosafety.com> have been labeled to contain chemicals listed in Prop 65:

	<u>Model No.</u>	<u>Product Description</u>	<u>Notification</u>
1.	0102	Bitrex Qualitative Fit Test Kit –	This product may result in an exposure to one or more of the chemicals listed under Prop 65. Allegro has disclosed to Moldex which chemical(s) they are referring to. (Contains carbon black for items; 0301 & 0302.)
2.	0301	Nebulizer #1 for (Sensitivity Screening Testing)	This product may result in an exposure to one or more of the chemicals listed under Prop 65, including carbon black.
3.	0302	Nebulizer #2 for (Fit Testing) –	This product may result in an exposure to one or more of the chemicals listed under Prop 65, including carbon black.

On-Product Labeling: Moldex has applied Prop 65 warning labels to the products listed above. **Please do not remove or otherwise alter or tamper with the warnings.**

Additionally, **if you have these items in stock you must label these products with the Proposition 65 label.**

PLEASE SEE ACTION POINTS REQUIRED BELOW & ON THE FOLLOWING PAGE

- 1. You must acknowledge receipt of this notice and confirm that;**
 - a. Labels have been added to any of the above listed sku’s that you may have in stock. (The labels must be added to the primary panel of the fit test kit part #0102 or the packing that each nebulizer comes in for items 0301 and 0302) **Check Here [_____] – Completed.**

OR

b. Acknowledge that you do not have any of the listed items currently in stock.

Check Here [] – Completed.

2. You must also forward this notice to any sub-distributors or resellers that you sell to.

Check Here [] – Completed

Attached is a **label template** with this warning for your use, standard Avery 2” x 4” along with our **Product Offering Details excel file dated as of 6-13-18**. This list is subject to change.

We must receive acknowledgment that you have received this notice and have complied with this action. Please see below and return by 6/29/18. Failure to return this will result in orders for the listed items being placed on hold until this letter has been returned as requested.

Online & Catalog Warnings: If you sell this product online to California consumers or by way of a catalog, you must also provide a warning to the consumer prior to purchase. Please consult 27 Cal. Code Regs. § 25602(b) to make sure your website and catalog are in compliance. Please also refer to the website link for more information at; www.P65Warnings.ca.gov. Your warning should contain the following language:

California Proposition 65 Warning:

WARNING: This product can expose you to chemicals including carbon black, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Confirmation of Receipt: **Please complete the information below and return it to Moldex at sales@moldex.com or fax to (310) 837-9563 to confirm that you have received this notice.**

Company Name: _____

Contact Name _____

Phone: _____

Signature : _____

Email: _____

Address: _____ City: _____ St: _____ Zip/Postal Code: _____

Moldex’s Prop 65 Compliance Efforts: Moldex continues to review and assess its products for Prop 65 compliance but has not yet completed this process. With respect to the raw materials used in our products, we actively maintain contact with our suppliers of the relevant raw materials we purchase from them and request in writing whether or not any of the list of chemicals is supplied to us.

To the best of our knowledge at this time, we believe that, aside from the products listed above, none of our other end-products fall under the Proposition 65 requirements. In the event we determine other products require Prop 65 warnings, we will update you promptly. For more details, please reference the attached listing. **(USA Supplied Product Line Items dated 6-11-18.)**

Thank you and if you should have any additional questions, please feel free to call our Customer/Technical Services Department at (800) 421-0668, ext. 550, 301, 700 or via e-mail at tech@moldex.com.

Sincerely,

Jeffrey S. Birkner, Ph.D., CIH
Vice President of Technical Services

CC: Bill Schubach - Vice President of Sales, Larry Tutor - Director of Purchasing and Materials Management
Jim Hornstein – Vice President / General Counsel, James Gallegos – Technical Services & Government Sales Mgr.
