

## SIMPLY PUSH & TWIST!

Since no two ear canals are alike, GLIDE's unique multi-curved stem rotates for a custom fit inside each ear canal. Just push and twist to find your fit!

You'll instantly feel a comfortable seal...unlike anything you've felt with an earplug before.

Offered in disposable Foam and reusable Trio styles. Available with or without cord. To find your fit, visit [moldex.com/glide](http://moldex.com/glide) or call 800-421-0668, x550.
